

Design Right, Build Better.

Call for Session Proposals

2023 BuildRight Conference

APRIL 19, 2023 · MCMENAMINS KENNEDY SCHOOL · BUILDRIGHTPDX.COM

BuildRight is currently accepting session proposals for the 2023 conference + expo that takes place April 19, 2023 at McMenamins Kennedy School in Portland, OR. The deadline for submissions is Friday February 10th, 2023.

Take this opportunity to lead a 60-minute session and share your with a broad audience! This year's theme is **Design Right, Build Better. From blueprints to boots on the ground.**

When selected, you'll have access to a complimentary registration for the conference and expo.

The theme was influenced by the needs we are seeing in the field and by Opening Keynote speaker Christine Williamson. Christine Williamson has spent her career in building science forensics, discovering why buildings fail, and working with owners, architects, and builders to remedy the problems. She is the founder of the Instagram account @BuildingScienceFightClub, an educational project that teaches architects about building science and construction. Visit [BuildRightPDX.com](https://www.buildrightpdx.com) for more information.

How to Submit

BuildRight has established a reputation of presenting the most current, accurate and up-to-date information within our sessions. Experience based on in the field work or brand name equipment, products, materials, or services is encouraged; however, statements made in sessions with the intent to increase sales to the specific financial benefit is expressly prohibited unless otherwise agreed upon.

About the Conference

[BuildRight](https://www.buildrightpdx.com) is an annual event that brings residential builders, remodelers and industry professionals together to discuss advancements in energy-efficient building practices and workforce development in residential construction. This event is produced by the Home Building Association of Great Portland with guidance from our Home Performance Council leadership and members. Attendees have the opportunity to earn required CCB credits at BuildRight.
